Dear Lyon County School District President Phil Cowee and Trustees,

For over seventeen years the Lyon County School District has been a big part of my life and that of my family. All four of my children have or will graduate from this incredible school district having achieved their personal educational goals and setting them up for a successful life. I am so honored and privileged to serve with the amazing educators throughout LCSD, including you, who devote so much energy, love, and compassion to our students every single day. I'm blessed to work in a school district that places family, regardless of its makeup, at the forefront of all decisions and actions.

With that said, the time has come for me personally in which I must place my own family challenges and circumstances at the center of my life. Therefore, it is with great sadness that I must provide you with my resignation notice as the Superintendent of the Lyon County School District effective June 30, 2024, at the end of the current school year. I am so grateful for the opportunity my family and I have been given to serve the students, staff, families, and communities of the LCSD. Thank you.

Sincerely and respectfully,

Wayne L. Workman
